

REMARKS/ARGUMENTS

Claims 1, 3-5 and 7-20 remain pending in the application, as claims 2 and 6 have been canceled without prejudice. Independent claim 1 has been amended by incorporating the limitations of claims 2 and 6 therein. Dependent claims 3 and 7 have been slightly amended to account for the claim cancellations. Applicant submits that the above claims are patentable and respectfully requests a Notice of Allowance.

No amendment made was related to the statutory requirements of patentability unless expressly stated herein. No amendment made was for the purpose of narrowing the scope of any claim, unless Applicant has argued herein that such amendment was made to distinguish over a particular reference or combination of references.

In the event that the Examiner deems the present application non-allowable, it is requested that the Examiner telephone the Applicant's attorney or agent at the number indicated below so that the prosecution of the present case may be advanced by the clarification of any continuing rejection.

The Commissioner is hereby authorized to charge any necessary fee, or credit any overpayment, to Motorola, Inc. Deposit Account No. 50-2117.

Respectfully submitted,

Date: June 29, 2007
